website for students
grades K - 6th.

MADISON Public Schools

We are Madison: Where Kids come First!

Middle School Pollution Skit highlight, January- 2022!

This group of students did research on water pollution, developed their own characters and script, and put together a really solid performance!

Miss Rice's 1st grade class had guests in their classroom last week. They learned about the origins of our food, how it travels to the grocery store, and how to make healthy choices from Ms. Philips' Ag Leadership Class. The 1st graders loved the new visitors in their classroom and

enjoyed the projects they had them do.

Madison FFA continues to grow and flourish. The Chapter is led by Sponsor Ms. Kara Philips. The Chapter currently has 41 members. National FFA week begins February 19th. Listed below are the Chapters Officers:

Sophomores:

Josie Stoffel - Sentinel
Annai Rodriguez - Historian
Abigail Ross - Reporter

Juniors:

Ashlee Rodriguez -
Treasurer

Cattibrie Hysell - Vice
President

Seniors:

Jenaye Wegener - Secretary
Betty Books - President

SPORT NEWS

Madison Public Schools was proud to host the NSAA C-1 District Wrestling tournament held on February 11th and 12th in our New Gym! We received several compliments on the school building and the tournament itself. A special thank you to all those workers who helped make this possible. A shoutout to Dan Winkler and custodial crew and to Tom Harrington on his work in preparing and setting up the tournament software. Go Dragons!
